Dear Mr. Nicolas Hernandez,

The California Department of Health Care Services (DHCS) received your request for records under the Public Records Act. After review, we believe we possess responsive, disclosable records that fall within the scope of your request which are taking longer than originally anticipated to research. We will have an update for you by 8/20/2026.

Some of the requested records or portions of the records may be exempt from production. For example, personnel, medical or similar files, the disclosure of which would constitute an invasion of personal privacy are exempt from disclosure (Cal. Gov't Code section 7927.700). If any of the requested records are redacted or withheld, you will be notified of the reasons.

Sincerely,

DHCS PRA Coordinator
