Dear NICOLAS HERNANDEZ,

Thank you for bringing your concern(s) to our attention. L.A. Care Health Plan received your grievance on June 12, 2026. The following describes the results of our review:

Concern/s:

1. You filed a complaint against Call the Car regarding transportation services. You advised L.A. Care that you attempted to schedule transportation for March 16, 2026, to travel to your local pharmacy.
2. You stated that you experienced extended wait times, which resulted in a delay in obtaining your time-sensitive medications.

Resolution:

L.A. Care Health Plan would like to begin by extending our sincere apology for any inconvenience you may have experienced. We are committed to providing our members with timely access to quality care and services and continuously monitor the quality of care and customer service provided by our contracted vendors.

To review your concern, L.A. Care contacted Call the Car (CTC) and obtained information regarding your transportation request. CTC advised that your request for transportation was received on March 15, 2026, at 11:40 p.m. An Uber driver arrived at the designated pick-up location at 12:21 a.m., and the trip was completed at 12:33 a.m.

Please be advised that, in accordance with L.A. Care's transportation policy, members are required to schedule transportation reservations at least two (2) business days in advance to ensure availability. For same-day transportation requests, members must contact CTC at least

three (3) hours before the requested pick-up time to allow sufficient time to arrange transportation.

We hope that you are satisfied with this review. If you are not satisfied with the results, you may file an appeal to the Department of Managed Health Care.

Department of Managed Health Care

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **1-888-839-9909** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's internet website <http://www.dmhc.ca.gov> has complaint forms, IMR application forms and instructions online.

Thank you for bringing your concern(s) to our attention. Please call L.A. Care's Member Services Department at **1-888-839-9909** for future assistance. For deaf or hearing impaired access, please call **TTY: 711**. The call is free. We are available 24 hours a day, 7 days a week, including holidays.
