Emergency Department Care Team:

Provider: Ed staff, Physician MD

The Emergency Department physician has reviewed the information that you have provided concerning medications that have been prescribed previously and found there to be no conflict with any therapy recommended by the Emergency Department physicians. Unless instructed by the Emergency Department physician to discontinue specific medications, you should continue medications prescribed by your regular doctor and follow-up with your doctor or with the physician/facility recommended by the ED as appropriate.

If you plan on operating a motor vehicle or using any dangerous equipment within the next several hours, please check with your physician or nurse to make sure that none of the medicines that you received in the Emergency Department could interfere with your performance of these tasks.

The physicians and staff of the PRM Center encourage you to lead a healthy lifestyle. If you smoke, we strongly urge you to quit. Contact your local American Lung Association for additional information.
